

Avon-ISI

hereby certifies that

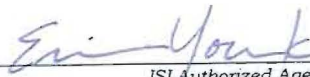

Panhandle Breathing Air Systems, Inc

*Has successfully completed the requirements for training, parts inventory
and testing equipment. They are now certified as an*

Avon-ISI Certified Service Center

*Full authorization is granted by Avon-ISI to service, repair and maintain all Avon-ISI products including the
Viking, Magnum, Vanguard, Frontier, ARAP, ISI Escape, EEBA and ASI. All repairs shall be accomplished
using the latest technical information and using only Avon-ISI certified parts.*

*Certification is good for 2 years from the date of issue. At that point a review by an Avon-ISI authorized agent
shall include inspection of repair records, calibration logs, an inventory of spare parts and training updates.*

A handwritten signature in blue ink, appearing to read "Eric Young", written over a horizontal line.
